Maud L. Shambaugh, 128 G St. Carlisle, Pa.

I am the widow of W. I. Shambaugh - son of Devl. - His older son, James P. still lives at 189 Bay Ave., Huntington 12, N. Y. an executive with Standard Oil, and with offices in New York City.

Our twogare, Charles F. and wife Barbara live at 2820 Halbert St. Fort Worth, and have a son, Michael David, who is now a year old.

Our daughter, Grace Louise, is also married now and the name is Mrs Bruce Long and living at 126 G, St., Carlisle, Pa. (MINE now is 128 G, St.). Their baby daughter born in January is Melissa Rae.

I was very happy to have Mrs Maud Hery of Wichita, Kan. with me a few days in July. When in the East she located a large number of cousins whom she had not visited in Pennsylvania for fifty years.

I could not have gone to the annual reunion, but hope that none of the "family" were directly affected by the polio epidemic.

Mrs Frank E. Mills, 214 So. 11th. St. Cambridge, Ohio

We made our trip to California and found my sister well, but my brother-in-law is not so well. ( see item in # 30, page two )

I would like to make my home in Los Angeles, it sure is beautiful country there.

A letter recently received from Katherine Trussell, 4709 Walker Ave. Houston, Texas, in which she asks for information, or some one who could work up our Phillip (brother of George II) line, she would also lend the person her mother's (Lois C.) copy of what she had that might help as a guide for information. Lois evidently had hoped to make another trip back East to do more researching through courthouse records and the well kept cemeteries of that region, and from the Bibles in some of the old homes.

NOTE, If anyone can offer this help to Katherine, I know that we all would appreciate it so much, as she would like to get this line completed.
